The green arrows and instructions will guide you through your Tax Return

***This Notice** requires you by law to send me a Tax Return, and any documents I ask for, for the year from 6 April 2003 to 5 April 2004, containing details of your income and capital gains.*

I've sent you this paper form to fill in, or you could use other Inland Revenue approved paper versions.

However, there are advantages for you if you send your Tax Return electronically rather than use paper. Please see 'Sending your Tax Return electronically' aside.

Whichever method you choose, please make sure your Tax Return, and any documents I ask for, reach me by:

- ***the later of 30 September 2004 and 2 months after the date this notice was given if you want me to calculate your tax, OR***
- ***the later of 31 January 2005 and 3 months after the date this notice was given, at the latest. Late Returns may attract an initial penalty of £100.***

***Please make sure your payment of any tax reaches me by 31 January 2005.** Otherwise, you will have to pay interest, and perhaps a surcharge.*

*If you do owe tax, and it's less than £2,000, I will if possible collect this through your 2005-06 PAYE code, if you have one. But you need to send your Tax Return by one of the dates shown on page 3 of your Tax Return Guide - see **KEY DATES** (or check with your tax adviser, if you have one).*

Sending your Tax Return electronically

You can file electronically in one of two ways. Please use:

- ***our Internet service. Go to www.inlandrevenue.gov.uk to file your Tax Return online - you'll get immediate acknowledgement and your tax will be calculated automatically, OR***
- ***our Electronic Lodgement Service (available through some tax advisers).***

Your responsibilities

The Tax Return I've sent you covers savings and pension income and claims to allowances and reliefs. You might need other forms - 'supplementary Pages' - if you've got particular income or capital gains. Use page 2, overleaf, to check if your circumstances mean you need supplementary Pages.

Your Tax Return may be checked. Please remember there are penalties for supplying false information.

***You** are responsible for sending me a correct return, but **we** are here to help **you** get it right.*

Four ways we can help you

- ***look** at your Tax Return Guide - and your Tax Calculation Guide if you choose to work out your tax. They should answer most of your questions. (I won't have sent you the guides if I know you have a tax adviser), **OR***
- ***visit** our website at **www.inlandrevenue.gov.uk**, **OR***
- ***ring** me on the above number - when the office is closed, call our Helpline on **0845 9000 444**, **OR***
- ***call** in to one of our Inland Revenue Enquiry Centres - look under 'Inland Revenue' in the phone book.*
